

# EZ OPS

## Our Powerful, Portable PC Module

**High Performance**

Our EZ OPS was purpose built for our Interactive Flat Touch Displays (IFTDs) and developed in conjunction with Intel. It's built for touch and interactivity.

**Wire-Free and Wireless**

You can slide our EZ OPS seamlessly into the side of all our IFTDs. This negates the need for external connections and wires. After installation, you can easily connect the EZ OPS to existing wireless or wired networks.

**Fully Integrated**

Once installed the EZ OPS and IFTD act as one unit. Power, temperature control, wireless network connectivity and connections are all synced. It can also be fully integrated into pre-existing IT systems without any hassle.

**Secure**

Whether in the classroom, boardroom or a commercial space, you can securely fasten the EZ OPS to the IFTD to prevent tampering or theft.

## SIMPLE SPECS

### SIK - 170D

OS	Windows 8.1 Pro (DSP or Embedded)
CPU	Intel i7-4700HQ
Chipset	Intel HM87
Graphic	Intel HD 4600
RAM	Samsung 8G DDR3 PC-16800
Storage	mSATA3 128G
WiFi	Intel 6235
Front Ports:	USB 3.0 x 4, DP 1.2 x 1, HDMI 1.4 x 1, LAN x 2

### SIK - 171D

OS	Windows 8.1 Pro (DSP or Embedded)
CPU	Intel i7-4850HQ v-Pro
Chipset	Intel QM87
Graphic	Intel Iris Pro 5200
RAM	Samsung 8G DDR3 PC-16800
Storage	mSATA3 128G
WiFi	Intel 6235
Front Ports:	USB 3.0 x 4, DP 1.2 x 1, HDMI 1.4 x 1, LAN x 2

Next Generation EZ OPS now available.
